  - (b) that the design or external appearance of any building to which they relate ought to be modified to preserve the local environment or local amenity, and is reasonably capable of being so modified.

*District conditions: qualifying authority*

- 15 (1) To the extent that development consists of any operation or work mentioned in column (1) of the table in sub-paragraph (4), it shall be carried out in accordance with plans and specifications for the time being approved by the district planning authority at the request of the nominated undertaker.

- (3) The county planning authority may only impose conditions on approval for the purposes of this paragraph with the agreement of the nominated undertaker.
- (4) In sub-paragraph (1), the reference to arrangements, in relation to item 4 in column (1) of the table in sub-paragraph (2), does not include detailed arrangements.
- 23 (1) To the extent that development consists of –
- (a) the disposal of waste or spoil, or
  - (b) the excavation of bulk materials from borrow pits,
- it shall not be begun unless the county planning authority has, at the request of the nominated undertaker, approved a scheme for the restoration of the land on which the development is to be carried out.
- (2) The only ground on which the county planning authority may refuse to approve, or impose conditions on the approval of, a scheme for the purposes of this paragraph is that the scheme ought to be modified and is reasonably capable of being modified.
- (3) The nominated undertaker shall carry out a scheme approved for the purposes of this paragraph once it has completed its use of the land to which the scheme relates for the purpose of carrying out development of a kind to which sub-paragraph (1) applies.
- (4) In sub-paragraph (1), the reference to restoration includes a reference to restoration in the longer term; and, accordingly, a scheme for the restoration of land may include provision about aftercare.
- 24 (1) Development shall be carried out in accordance with arrangements approved by the county planning authority at the request of the nominated undertaker with respect to the routes by which anything is to be transported on a highway by a large goods vehicle to –
- (a) a working or storage site,
  - (b) a site where it will be re-used, or
  - (c) a waste disposal site.

- (2) No arrangements for the purposes of sub-paragraph (1) shall be required –
- (a) in relation to transportation on a special road or trunk road, or
  - (b) in relation to transportation to a site where the number of large goods vehicle movements (whether to or from the site) does not on any day exceed 24.
- (3) The only ground on which the county planning authority may refuse to approve arrangements for the purposes of this paragraph is –
- (a) that the arrangements relate to development which, for the purposes of regulating the matter in question, ought to and can reasonably be considered in conjunction with other permitted development which is to be carried out in the authority's area, or
  - (b) that the arrangements ought to be modified to preserve the local environment, local amenity or a site of archaeological or historic interest or nature conservation value, or to prevent or reduce prejudicial effects on road safety or on the free flow of traffic in the local area, and are reasonably capable of being so modified.
- (4) The county planning authority may only impose conditions on approval for the purposes of this paragraph with the agreement of the nominated undertaker.

- (2) On an appeal under this paragraph, the appropriate Ministers may allow or dismiss the appeal or vary the decision of the authority whose decision is appealed against, but may only make a determination involving the refusal of, or imposition of conditions on, approval on grounds open to that authority.
- (3) Where, following receipt by a planning authority of a request by the nominated undertaker for relevant approval, the authority does not notify the undertaker within the appropriate period –
- (a) of its decision on the request, or
  - (b) that the request has been referred to the appropriate Ministers in accordance with directions under paragraph 28,
- this paragraph shall apply as if the authority had refused the request and notified the undertaker of its decision on the last day of the appropriate period.

- 
- (8) Where an agreement under sub-paragraph (4) to extend a period is made after the period has ended, sub-paragraph (3) shall be treated as not having applied when the period ended.
- (9) In this paragraph, “prescribed” means prescribed by regulations made by the appropriate Ministers.
- 31 No appeal under section 78 of the Town and Country Planning Act 1990 (c. 8) (right to appeal against planning decisions and failure to take such decisions) may be made against a decision, or failure to notify a decision, in relation to which a right of appeal arises under paragraph 30.

- 33 The decision of the person appointed under paragraph 32, or, as the case may be, of the appropriate Ministers, on an appeal under paragraph 30 shall be final.
- 34 (1) An appeal under paragraph 30 shall be dealt with on the basis of written representations, unless the person deciding the appeal directs otherwise.

- (a) make provision for a time limit within which any person entitled to make representations must submit them in writing and any supporting documents,
  - (b) empower the person deciding an appeal to proceed to a decision taking into account only such written representations and supporting documents as were submitted within the time limit, and
  - (c) empower the person deciding an appeal, after giving written notice of his intention to do so to the nominated undertaker and the planning authority whose decision is appealed against, to proceed to a decision notwithstanding that no written representations were

made within the time limit, if it appears to him that he has sufficient material before him to enable him to reach a decision on the merits of the case.
