

HEALTH SAFETY & ENVIRONMENT AGREEMENT

This agreement signed by the principal parties involved in delivering Crossrail sets out a number of key health, safety and environmental leadership behaviours and values that underpin our shared determination to work together to deliver health, safety and environmental excellence within the Crossrail programme.

We will commit to:

1. **Policies:** Work to meet the spirit and intent of the Crossrail Health, Safety and Environment Policy Statement
2. **Commitments:** Demonstrate our personal commitment to health, safety and environmental excellence, so people on works under our control and influence go home safely
3. **Best Practice:** Innovate, share and adopt health, safety and environmental best practice so that together we may deliver a world class railway
4. **Health:** Promote occupational health and wellbeing as key areas
5. **Arrangements:** Work to the framework set out within the Crossrail publication "Health Safety Environment: Contractors and Industry Partners".

We will regularly monitor progress against the above commitments and embed them within our organisational cultures. The extent of our success will be made publicly available.
